OBJECTIVE

As a passionate and skilled Flutter Developer, I aim to leverage my expertise in crafting high-performance, cross-platform mobile applications to contribute to innovative projects. My background in web development and design complements my ability to deliver seamless and engaging user experiences on both iOS and Android platforms.

SKILLS & ABILITIES

- **Flutter Development:** Expert in Dart and Flutter, with a focus on high-performance, cross-platform mobile apps.
- **Mobile Applications Development:** Proficient in Android and iOS development.
- **Web Development:** Knowledgeable in HTML, CSS, JavaScript, TypeScript, Next.js, React.js, and TailwindCSS.

EXPERIENCE

Flutter Developer Intern
Rootlet Solutions
August 2024 - Present

- Developed and optimized high-performance mobile applications for both Android and iOS platforms using Flutter and Dart.
- Collaborated on innovative projects, enhancing app functionalities and ensuring seamless cross-platform experiences.
- Gained practical expertise in mobile app development and a solid foundation in both Android and iOS development.
